REFELECTION

TENTH SUNDAY OF PENTECOST SEASON

Mk 9:1-7

Jesus heard at the Transfiguration that he was beloved! We all want to know that someone would say they love us

Favored

We are all the time God's favored ones – it's ourselves that miss out on it. We live in the big wide world of God's love, and Jesus on Tabor was allowing himself be loved in the radiant light of God, shining even in the cloud.

Together we are loved...together on this mountain. Light is caught from one to the other. We are the light of Tabor mountain for each other. All are loved. The one I like and don't like! The radiant body of Christ was hammered and killed later by ourselves. Love killed at Calvary rose again. Love cannot die.

Transfigure or Disfigure

We can transfigure or disfigure each other. We can bring out the light and the hope and the joy in our belonging to God!

We can transfigure a school, a parish, a community any group by first of all our being loved by God and letting love go out. If we really believe we are loved by God then the world we live in is transfigured, changed.

In the light of the cross, the sign of our faith, the way we are saved.
